

# William Z. Foster Says: "Let Us Save Our Daily"

By WILLIAM Z. FOSTER.

The call of the Daily Worker for \$40,000 demands the energetic and enthusiastic response of every class conscious worker.

The Daily is a mighty weapon in the hands of the working class. It is the chief spokesman of the party in the election campaign. By means of the Daily Worker we are in hourly and daily touch with the working masses. The capitalist class uses the reptile press to spread its poison in the ranks of the toilers. The Daily alone exposes these enemies, sheds light on the situation of the workers, points the way out of the present condition of unbearable poverty and oppression.

The critical need for funds which has compelled this campaign must be turned into a mass mobilization of the workers behind its press. Through the campaign we must build a granite wall of support for the Daily, organize its friends and readers, win new readers and assure a steady enough income to do away with the periodical S.O.S. calls.

Every Party member, revolutionary trade unionist, active fighters in the Unemployed Councils, workers in the shops and mines, as well as in all working class organizations must rally more speedily to the call of the Daily. TO GIVE SPEEDILY, IS TO GIVE DOUBLY! We need the Daily for closing the ranks of the workers against the ruthless drive of the capitalists. Carry the Campaign to success. Let us save the Daily.
