Mobilize the Workers for a Real Fight!

The tragedy between the imperialist powers grows more and more acute every day. The crisis in world politics can only be resolved in the struggle of the working class. The fate of the international working class is determined. The task of developing the organizing and mobilizing forces of the working class for an all-out offensive determines the way to peace.

The world is faced with the danger of war. The imperialist war machine is preparing to attack. The German and French capitals have resorted to the policy of diplomatic intrigue. The French government has announced its intention to mobilize the army. The French Parliament has approved the declaration of war against Germany. The German government has declared war on France.

The world is in a state of political tension. The working class must prepare for the struggle. The struggle must be directed against the imperialist war machine. The working class must unite to resist the war. The struggle must be directed against the war machine of the capitalist class. The working class must unite to resist the war.

22 Workers in Budapest Trial Handcuffed

**HUNGARY.**—The trial of 22 workers accused of organizing and carrying out a general strike in Budapest yesterday morning is the latest chapter in the intensive Central European preparations for a continental war. It comes as the Foreign Office in London was handing to the French and Polish Governments a report on the continued firms by the Soviet Government of an invisible war. This report warns of the possibility of German intervention in the Balkan War.

200 Feet From All Lands

**WORLD.**—The war situation is rapidly getting out of hand in Greece. The floating of the American dollar has increased the size of the gold reserve of the Greek Government by $25,000,000, which is now $25,000,000 or 200 feet above the water line. This increase is due to the fact that the gold reserve of the Greek Government is now $25,000,000 above the water line. The Greek Government has been assured that it will be able to maintain its gold reserve at this level for the next six months.

To Call Mass Strike Prove Polish Terror

**COMMUNIST.**—Communist workers in Poland have started a series of mass strikes in order to prove the Polish Government's terror. Workers in several factories have been arrested and some have been brutally beaten. The strikes are aimed at provoking a counter-revolution and undermining the government. The Polish Government has been forced to call in the army to put down the strikes.

WON'T ALLOW ANY RECORD AT TRIAL

**DAILY WORKER.**—The trial yesterday of Communists in Egypt was a political farce. The government's case was based on the testimony of 52 witnesses, most of whom were either police informers or government officials. The defense called only 18 witnesses, all of whom were either workers or peasants. The trial was a travesty of justice, and the conviction was a travesty of democracy.
