Unite in Desperate Attempt to Divert Negro Masses From March 28 Demonstrations Against Bosses

BY CYRIL BESSON

NEW YORK—In an attempt most nakedly selfish of all to divert the Negro masses from their united demonstration against the Gerçek bosses, a virtual conspiracy of Negro leaders is making every effort to prevent the movement, particularly the strike of the Giant Laundry workers. The bosses have already obtained the co-operation of several Negro leaders, including Dr. W. E. Burroughs, editor of the Daily Worker, a known boss leader; Communists; several Negro Press editors, and other Negro leaders.

The following is a list of the Negro leaders who are actively working against the Giant Laundry strike:

Dr. W. E. Burroughs, editor of the Daily Worker, a known boss leader.
Communists.
Several Negro Press editors.
Other Negro leaders.
