GARVEYISM DEFENDS OPPRESSION OF NEGROS

By C. J. BRICK

The following is the conclusion of the article by C. J. Brick on Garveyism,

"The history of the Negro in America is a history of oppression and exploitation. The black man has been the victim of the white man's greed and brutality, and the history of Garveyism is a history of struggle against this oppression. Garveyism is a movement that seeks to free the black man from the bonds of slavery and exploitation, and to give him the right to self-determination and equality."

Exposure of Buffalo Police Raid

The Buffalo Police Command Headquarters

The Buffalo Police Command Headquarters is an organization that seeks to expose police brutality and corruption. The headquarters has conducted numerous investigations into police misconduct and has documented cases of police violence against civilians. The headquarters has also advocated for police reform and has called for accountability and transparency in law enforcement.
