HARLEM REFORMISTS IN FAKE UNEMPLOYMENT PARADE TODAY

Using Slogan of Unemployed Relief to Trap Negro Wages and Drive Them From Struggle Against Starvation

By CVEDER BRIDGERS.

The marchers are opposed to the plan of the parade, which is to be held as a rally to which Negroes are invited, and they believe that the parade is a fraud, as it is intended to deceive the public into believing that they are really making a protest against unemployment and the efforts of the Welfare Workers to drive them from the struggle against starvation.

The parade will be held on April 13th, and it is expected that a large number of people will attend. The marchers believe that the parade will be a failure, and that it will serve only to increase the difficulties of the situation.

On the other hand, the Welfare Workers believe that the parade will be a success, and that it will serve to increase the visibility of the problem of unemployment.
