"Go back, slaves, go back.

And my father before me has watched them a thousand more.

And the ants have been building these walls since they began.

And my father before me has watched them a thousand more.

Move a bit in the sky so the color-starved masses may see you,

Rising and falling, rising and falling.

And the ants have been building these walls since they began.

And my father before me has watched them a thousand more.

To Build New Auto Factory In U.S.S.R.

The factory will be built on the site of the existing automobile factory and will have a capacity of 50,000 cars per year. It will be equipped with the latest machinery and will employ the most modern techniques.

The construction of the factory will be carried out in collaboration with the Soviet government and will be financed by the state.

The factory will be managed by Soviet experts and will be under the control of the Communist Party of the Soviet Union.

It is expected that the factory will begin production in 1930 and will employ 5,000 workers.
