The Daily Worker, the only working class revolutionary daily paper in the English language in the world, is threatened with extinction. From day to day, hour to hour, the question of whether this militant organ of our class shall continue to live and fight for our class, depends upon the help that may be given by the workers themselves.

The Daily Worker is determined to live and grow stronger and to continue to fight for the workers' class struggle. Send your contributions by air-mail or telephone to The Daily Worker, 26-25 Union Square, New York, N. Y.
