The Orphan Jones Decision
A few weeks after the partial victory achieved by mass pressure in the Detroit Free Press, the workers' committee is taking steps to ring the bell of justice, and to the ears of the masses, the truth of the matter. The workers of the Detroit Free Press want to make it known to the whole world that the Dunlop Press, the largest printing works in the city, is being used by the capitalists to spread lies and to defraud the workers.

Wage Cuts Do Not Bring Prosperity
By CYRIL BREDGE

Gorki Calls for Solidarity Against War

Wages are not only a commodity, but also a factor in the production of goods. In the capitalist world, the workers are mere instruments of production, while the owners of capital are the masters. The capitalist system is based on the exploitation of labor, and the workers are forced to work for a fraction of the value of the goods they produce. The workers are the real creators of wealth, but they are denied the fruits of their labor.

OUT OF THEIR OWN MOUTHS
If you consider the situation of the workers' committees, the situation of the workers, and the situation of the capitalists, you will see that the workers are the real creators of wealth. They are the real owners of the means of production, and they should be given the right to control their own affairs. The workers' committees are the organs of the workers, and they should be supported by all workers in the capitalist world. The capitalists are the enemies of the workers, and they should be opposed by all workers in the capitalist world.

The department of the United States that is responsible for the administration of the Internal Revenue Service has taken steps to prevent the distribution of illegitimate cigarettes. The department has issued a letter to all distributors of cigarettes, warning them that the distribution of such cigarettes will be considered a violation of the law.

WET PLANKS AND THEIR BUILDERS

The New York Free Press and the Chicago Daily News have been denounced by the United States government as engaging in-illegitimate cigarette distribution. The government has filed charges against these newspapers, alleging that they have distributed thousands of cigarettes without paying the proper taxes. The government has also filed charges against other newspapers, accusing them of distributing cigarettes without paying the proper taxes.
