CASH MUST ACCOMPANY ALL ORDERS.

THE WORKERS must be met with men and not with coward. The very fact that we are within our homes, and we must hang together or hang separately. Work for your union as you have never done before. Before as you have never done before.

THE POOR KING.

The recent strike of railroad workers in England forced the King to get in touch with his minister and ask him to save the men. But it's too late. The men have already made their decision. The strike has been settled.

FOX GRANDA.

Fox Granda, the American labor leader, has issued a strong statement in the northern section of the country. He says that the men must stick together and continue the strike until victory is achieved.

BUDGET CIVIC FEDERATION

By W. J. Foster.

The International Federation of Social Democrats has published a report on the conditions in the United States. The report shows that the conditions are favorable for the socialists. The federation is planning to hold a conference in Chicago this month.

DR. ROBERTS.

Dr. Robert H. Doughty, the English labor leader, has issued a strong statement in favor of the socialist movement. He says that the time has come for the socialists to organize and to fight for their principles.

RUSKIN.

Ruskin, the English labor leader, has issued a strong statement in favor of the socialist movement. He says that the time has come for the socialists to organize and to fight for their principles.

U.S. ARMY ON THE RUN.

Not satisfied with the way the men are doing their work, the Army has taken action. The men have been ordered to retire to their barracks and get ready for action. The Army is on the alert.

GENERAL EXECUTIVE BOARD.

J. W. Knights, Francis M. Miller, Charles Newcomb, J. E. Ford. Office... 130

The working people must resist to the bitter end. The workers must not give in. Work for your union as you have never done before. Before as you have never done before.
