Communists Throw Challenge in Face of Michigan Authorities

("Special to The Worker")

In the face of the virtual death knell of the Communist movement in the United States, the Michigan Communist party today began an organized campaign of civil disobedience in defiance of the Detroit police. The Dearborn Leader avowed that the move was a part of a national strategy to force the authorities to take a harder line against the party.

All workers balloting on Labor Party

The Trade Union Education League has set forth a program for the coming year which includes a study of the role of trade unionism in the history of labor and the working class. The program aims to develop a clearer understanding of the role of trade unionism and to promote a more active participation in the trade union movement. The League also plans to hold sessions on the history of labor and the working class, and to conduct workshops on the role of trade unionism in the history of labor and the working class.

Young Communists Stiffen Morale of Russia's Red Fleet

By Anna Louise Strong

Staff Correspondent, Progressive Press

Young Communists of the Russian Red Fleet have intensified their efforts to strengthen the morale of the Russian fleet and to ensure its continued strength. The fleet, which plays a vital role in the defense of the Soviet Union, is under constant threat from imperialist aggression. The Communists are working to build a united front of revolutionary forces to defend the fleet and ensure the survival of the Soviet Union.

Soviet and West Disputes over Moscow

A disagreement has emerged between the Soviet Union and the West regarding the activities of the Moscow government. The West is concerned about the policies of the Moscow government and has expressed its support for the Western movement. The Soviet Union, on the other hand, is accused of trying to co-opt the Western movement for its own purposes. The dispute is likely to continue, as both sides are determined to maintain their positions. The West is likely to continue its support for the Western movement, while the Soviet Union is likely to continue its efforts to co-opt the Western movement for its own purposes.
