LOVESTONE'S LABOR PARTY BOOK:  
"THE GOVERNMENT—STRIKEBREAKER."

By WILL Z. FOSTER.

It is not a mere party but an organization of the people. It must be strong and aggressive in the intensity of its activities. The Workers Party is already doing both. It is fighting for the right of the people to organize. It is the Workers Party which, as a matter of fact, has fought for this all the time. We have fought it, as a matter of fact, since the beginning of the movement. We have been fighting it a long time. The Workers Party is not a new organization. It is the Workers Party which has been fighting it, as a matter of fact, since the beginning of the movement. We have been fighting it a long time.

The Workers Party is the only organization that has been fighting it. It is the Workers Party which has been fighting it for a long time. We have been fighting it a long time.
