MINOR STARTS TOUR TONIGHT

To Speak at Meet in Poughkeepsie

Comrade John Foster, chairman of the New York State chapter of the Communist Party, is making a tour of the state in an endeavor to appeal to the people of New York to the necessity of labor unity under the banner of the Communist Party. The first stop of the tour was Poughkeepsie, where Comrade Foster addressed a meeting of the local chapter of the Communist Party. The meeting was well attended, and the speakers were welcomed by the enthusiastic crowd. The meeting was held in the Audubon Hall of the Poughkeepsie Kiwanis Club, and was attended by a large number of workers and supporters of the Communist Party. The speakers made a strong appeal for unity among the workers of the state, and for the establishment of a truly democratic society in the United States. The meeting was a great success, and the speakers were warmly welcomed by the audience.

Rush To Rescue Mined Workers

By TOMMY BURTON

At the meeting on Friday night, the leaders of the mining union and the leaders of the miners' organizations were present. The meeting was called to order by Comrade Foster, and the minutes of the previous meeting were read and adopted. The report of the committee on the mine disaster was then presented. The report stated that the mine disaster was caused by the negligence of the company and the officials of the mine. The report also stated that the company had failed to take adequate precautions to prevent the disaster. The resolution was then adopted unanimously by the meeting.

SALVADOR VOLCANO

Threatens Towns

Continued From Page One

Two towns, San Salvador and San Juan, have been declared no-go zones by the government. The towns are threatened by the volcano, which is located in the surrounding mountains. The volcano has been active for several days, and there are reports of ash and lava flowing down into the towns. The government has ordered the evacuation of all residents from the towns, and a state of emergency has been declared. The authorities have urged the residents to leave the towns immediately, and to seek shelter in other areas. The authorities have also urged the residents to be on the lookout for any signs of danger, and to report any sightings to the authorities immediately.
