STATEMENT BY FOSTER, BITTELMAN AND OTHER COMRADES

We wish to make the following statement, in the name of the American section of the Bolsheviks and of the C.R.C. (Foster, Arbenz, etc.) of the Bolshevik International,

of the party conducted by the American Bolsheviks, who from the very beginning of this process has been working in the very center of the battle for the survival of the Party in the American class struggle. This very delay by the Opposition of the Bolshevik International to recognize the subject of the situation with which we are faced, cannot have any logical consequences in this economic situation.

The claim made by the Opposition that the Bolsheviks are "independent" and "free" is hereby rejected by the membership of the American Bolsheviks. The party is a centralized one, and it is the duty of every member to support the leadership of the party.

We are preparing a larger statement in this matter for publication in the Party press.
