THE COMMUNISTS, THE COOPERATIVES AND HALENION

By MAX HERSCH

Halenion and Home Fight Comrade Pattee. In the interest of the poor, fighting and seeking to destroy the capitalist system, in the interest of the working class, let us now turn to the events of the last few days. In the past week, our Comrade Pattee, who is a leader of the Home Cooperative Movement, has been active in the struggle against the capitalist system. He is a fighting member of the Working Class Party, which is the sole party that represents the interests of the working class.

The policy pursued by Halenion, a large cooperative store, is diametrically opposed to that of Pattee. The profits of the cooperative are used to support the capitalist system, while the profits of Halenion are used to support the working class. This is a clear case of the struggle between two competing systems.

The response of the working class to this challenge is clear. They have placed their trust in the party that represents their interests, the Working Class Party. The Working Class Party is the only party that has a clear program for the working class, and the only party that is willing to fight for the interests of the working class.

The Working Class Party is the party of the working class. It is the party of the poor, fighting for their rights. It is the party that stands up for the working class, and it is the party that fights for the working class.

Strike Strategy

By JACK ROBERTSON

The class warfare policy of the A. F. of L. and the established unions has led to a period of unrest in the labor movement. The policies of the reformers in their struggle against the capitalists are leading to the downfall of the establishment. The only hope for the workers is to fight back, to fight for their rights, to fight for their freedom.

The Working Class Party is the only party that is willing to fight for the workers. It is the party of the working class, and it is the party of the poor. It is the party that represents the interests of the working class, and it is the party that fights for the working class.
