**American Labor Fails to Do Justice to Theme**

Reviewed by Wm. Z. Foster

The American Labor movement has been in existence for nearly a century, but it is only in the last few years that it has begun to realize its full potential. The movement has grown steadily in strength and influence, and is now one of the most important forces in the political life of the nation. The new program presented a very happy and considerable asset of the Daedal Company was the opening on the 8th Street at the Driscoll theater a new program of attractions.
