The Dies Committee: National Menace

WILLIAM Z. FOSTER
Socialist Chairman, Communist Party

The Dies Committee, investigating the alleged Communist party agitation against the American Government, recognizes that its activities are expected to prove the supposed Communists as the most advanced group in the field of labor. The investigations are directed by the Dies Committee, under the leadership of the American Labor Party Department of Pro-Americanism, and are conducted by its Department of Pro-Americanism. In this connection, the Dies Committee has already made certain that the Dies Committee is the most advanced group in the field of labor.

As the investigations proceed, it is evident that the Dies Committee is the most advanced group in the field of labor. The Dies Committee has already made certain that the Dies Committee is the most advanced group in the field of labor.
