**What's Behind Attlee Trip to Moscow and Peking?**

*By William Z. Foster*

The fundamental question is: What is the present attitude of the British Labor Party delegation to the U.S.S.R. and China? Is it that they are antagonistic to the world-wide anti-imperialist struggle, or are they fighting, as a section of the British working class is fighting, for the overthrow of imperialism everywhere? The Labor Party delegation has, in its campaign, beenBroadcasting to the American electorate the same lies about China and the United Nations.
