It said the youths will get 2,000,000 hectares (5,030,000 acres)
new land under cultivation in 1954 for wheat and other crops.
They will also receive seed corn and livestock,

Soviet leaders are reported to be interested
in the success of the program.

Negro Youth Leader Fights Trick Questions

By HARRY RAYMOND

Justice Department attorney F. Kirk Maddrix pressed
a Negro defense witness in a Subversive Activities Control
Case to change his story yesterday to say the
League had not met the political tests.

Maddrix demanded that Wilson
name all organizations he belonged to
and "I don't desire to discuss."

Wilson, however, continued to make
any statements about membership in organizations.

New Job Drop for Week Indicated by Gov't Votes

The seemingly rising rise in employment did not show up
in the latest figures on the number of workers on employment
insurance, issued yesterday by the U.S. Bureau of
Employment Security. But it is a sign that the increase is not
as high as it was
told a few weeks ago. The total number of
people in employment last week was a
little over 5,000,000. The number of
people employed in the manufacturing
industry was 2,000,000. The number of
people employed in the construction
industry was 200,000. The number of
people employed in the transportation
industry was 1,000,000.
