The War Bases in Pakistan

By WILLIAM Z. FOSTER

The MORE IMPORTANT step toward war today for militant workers is the US’s aggressive move against the peoples of the Near and Middle East: Afghan, Indonesian, Philippine, and Pakistani peoples. The US is seeking to win support from the peoples of Asia to its war plans for world domination. The situation is one of world-wide significance in its impact on the peoples of the Near and Middle East.

The US has abandoned its aggressive and imperialist policies in that area. In its attacks on the peoples of Asia, it is seeking to win support for its war plans.

The US is seeking to secure the bases it needs to conduct war. The US is seeking to secure the bases it needs to conduct war.

The US is seeking to secure the bases it needs to conduct war. The US is seeking to secure the bases it needs to conduct war.
