Anti-Trust Suit May Be Killed
in Deal With United Fruit Co.

WASHINGTON, Dec. 22.—The Justice Department is considering withdrawing its anti-trust suit against United Fruit Co., informed sources said today.

United Fruit is one of the largest U. S. corporations, but its proposed defense of the suit is expected to be based upon a denial of wrongdoing and restraining the

The Justice Department refused to comment. The details of the plans were not available.

But authorities sources dis"
