The Shaky Protest Grows Against Arming Nazis

BY WILLIAM Z. FOSTER

The YEAR-END bourgeois bourgeois, notably the New York Times, have placed before the American people a picture of growing and gloating world capital-58 per cent at the beginning of 1954. In the U. S. the entire group of "nations of the globe" are included, the official newspaper CHURCHILL's "prophet of gloom and doom" are dead

BONN, West Germany, Jan. 6—The Social Democratic Party and trade union of West Germany yesterday demonstrated in downtown Frankfurt, the home of the Pfalzland-Pfalz accor
d on the West Berliners, and the most densely populated of the German states, with about 1,000 people. The Social Democrats called for a "broad front" to fight against the anti-Soviet drive in the West.

The Social Democrats accused the Social Democrats of supporting the American policy in the West, and charged that the American policy in the West is a "wicked" policy. They also accused the Social Democrats of supporting the American policy in the East, and charged that the American policy in the East is a "wicked" policy.
