The Tasks of Revolutionary Workers in the Mobilization of the Negro Masses Against the War Danger

By H.G.

The white Imperialists are preparing a new war in Europe. They are intensifying their offensive against the Soviet Union, and the Soviet government is strengthening its defense. The white ruling classes are extremely sensitive to this "Achilles' Heel" of Negro rebellion. This is reflected by the increasing alarmist utterances of its agents, such as Kester, who sounded the alarm. Thus, Oscar de Priest, member of the District Committee that this was the beginning of a new wave of lynch terror rivaling that of the worst years of the Jim Crow reaction. The "home front." in the coming war is to be the major theater of operations in fascist Europe, and the Negro masses have to be recruited into the struggle against the war. The "peaceful return to Africa." should be the program for all workers of the world, and the Negro masses are no exception. The "peaceful return to Africa." is the keynote of the struggle against the war. The Negro masses have to be educated to understand the situation and to organize to fight for their rights. The "peaceful return to Africa." is the program for all workers of the world, and the Negro masses are no exception. The "peaceful return to Africa." is the keynote of the struggle against the war.
