### WORKERS OF ATLANTA!

EMPLOYED and UNEMPLOYED—Negro and  
White—ATTENTION!

MEN and WOMEN OF ATLANTA:

Thousands of us, together with our families, are at this time facing starvation and misery and are about to be thrown out of our houses because the miserable charity hand-out that some of us were getting has been stopped! Hundreds of thousands of dollars have been collected from workers in this city for relief for the unemployed, and most of it has been squandered in high salaries for the heads of these relief agencies.

Mr. T. K. Glenn, president of the Community Chest, is reported to be getting a salary of \$10,000 a year. Mr. Frank Neely, executive director of the Community Chest, told the County Commission Saturday that he gets \$6,500 a year, while at the same time no worker, no matter how big his family, gets more than two dollars and a half to live on. If we count the salaries paid the secretaries and the investigators working in the thirty-eight relief stations in this city, it should not surprise us that the money for relief was used up and there is no more left to keep us from starvation. If we allow ourselves to starve while these fakers grow fat off our misery, it will be our own fault.

The bosses want us to starve peacefully and by this method save the money they have accumulated off our sweat and blood. We must force them to continue our relief and give more help. We must not allow them to stall us any longer with fake promises. The city and county authorities from the money they have already collected from us in taxes, and by taking the incomes of the bankers and other rich capitalists, can take care of every unemployed family in Atlanta. We must make them do it.

At a meeting of the County Commissioners last Saturday, it was proposed by Walter S. McNeal, Jr., to have the police round up all unemployed workers and their families and ship them back to the farms and make them work for just board and no wages, while just a few months ago these hypocrites were talking about forced labor in Soviet Russia, a country where there is no starvation and where the workers rule! Are we going to let them force us into slavery?

At this meeting Mr. Hendrix said that there were no starving families in Atlanta, that if there is he has not seen any. Let's all of us, white and Negroes, together, with our women folk and children, go to his office in the county court house on Pryor and Hunter Streets Thursday morning at 10 o'clock and show this faker that there is plenty of suffering in the city of Atlanta and demand that he give us immediate relief! Organize and fight for unemployment insurance at the expense of the government and the bosses! Demand immediate payment of the bonus to the ex-servicemen. Don't forget Thursday morning at the county court house.
