Iron, Steel and Tin Workers Endorse Anti-War Congress

A.A. Elects Delegates Order Against Shoe Strikers

From Sixth District To Parley in Chicago

Broad Arrangements Committee Is Formed in Youngstown, Ohio—Los Angeles Set Date for Election of Delegates

YOUNGSTOWN, O., Sept. 13.—The sixth district conference of the Amalgamated Association of Iron, Steel and Tin Workers, held last week, called an Anti-War convention of the union in Youngstown, opening on Sept. 11, in the city's Cultural Center, at 1 o'clock, and all Youngstown District; John Steuben, Communist congressman, is president of the executive committee of the convention. The convention is a radical one, and will be attended by delegates from all parts of the country. The convention is expected to be a very important one, and will be attended by delegates from all parts of the country.

Governor Green Leads Mill Terror

By C. B. B.H.

(Continued From Page 1)

Governor Green Fails Again after the first volley of gunfire had been fired, the guardsmen broke into a deafening war whoop. Although deputy sheriffs are patrolling the streets in the vicinity of the mills and are searching everybody who enters the area, they have been unable to stop the picketing. The guardsmen are constantly on the picket lines, and are in the process of recruiting more guardsmen. The situation at the mill is still very critical.

Textile Strike Emphasizes Urgent Need of Recruiting

For the Communist Party

By R. P.

Today, leaders of Communists in the textile industry in New York, New Jersey, and Pennsylvania, held a conference in the office of the Communist party in New York. The conference was attended by representatives of the Communist party in all three states. The conference was called by the Communist party to discuss the urgent need of recruiting more members for the party.

The same issues are involved in the strike in the North and in the South, and the United Textile Workers, in a strike against the Jersey City Chancery Court on the conditions of the shoe and slipper industry. The strike was called by the United Textile Workers, and is supported by the American Federation of Labor. The strike is in order to keep the Woonsocket Rayon Company that it might not close it down.
