All Forces Behind the Textile Strike!

The unmistakable unity of the textile workers in every section of the country is displayed in all the strikes and mass picketing of every textile mill in the United States. The strike of the textile workers is a part of the unbroken chain of struggles by the working class to overthrow the capitalist system and establish a world socialist society. The struggle of the textile workers is a continuation of the struggle of the working class all over the world for a world socialist society.

The textile workers are not alone in their struggle. The workers all over the world are united in their struggle against the capitalist system. The workers are united in their struggle for a world socialist society. The workers are united in their struggle against the capitalist system.
