Flying Tiger Believes
Apathy in Communist

Communists

Lexington, Ky.

Keller, Daily Worker:
The recent charge of the Chi-

nese Communists that American

policies are being used to instill in

them a "classless society" is carried

over to them in Manchuria by the

American ambassador, who

assured them in a recent speech

that the plans of America are

nationalistic. The plan is to

destroy their nationalism and

instill the "classless" idea of the

Communists. The Chinese

Communists are instilled with a
totalitarian idea of the Communist

party. They are brainwashed and

brainwashed again.
