You Do Us a Great Honour

Dear Comrade,

We welcome you to our cause. Your dedication and commitment to the principles of Marxism-Leninism is greatly appreciated.

When you come to speak your mind,
For Marxist-Leninists speak the truth
Ever loyal to the line.
That will liberate mankind.

From many different countries, speaking many different tongues.
We will speak one language — Marxism-Leninism.

Revolutions and opportunists Will come and go,
But Marxism-Leninism will remain
As the deeds of our party show.
In unity our forces grow.
Fighting the same enemy we share victories and defeats.
And the revolution marches on as we turn words into deeds.
You do us a great honour
When you come to speak your mind.
For Marxist-Leninists speak the truth
Ever loyal to the line.
That will liberate mankind.

Chorus:
Plant the Party's seeds in every factory,
Bolshivize her ranks relentlessly.
Sound firm in her defence against the enemy.
For the Party is the most precious thing.

The Party is the most precious thing.
She courageously exposes all who serve the enemy.
Casting out the rulers of their backward philosophy.
When our Party speaks, it's with the voice of Marxism-Leninism in command.
The unyielding voice of science, she is a rock among the shifting sands.

Chorus:
The cowards and deserters left behind by our advance, the traitors screaming frenzied cries from a safe distance, our Party's progress blocks their way, they have no hope to save their skins.
Or her fire will consume them, and throw their ashes to the winds.

Chorus:
The workers and oppressed battle hard in self-defence.
The Party leads their struggle towards the mighty class defence.
To wrest the power from the exploiter's hand, and seize the reins of our destiny, this is Canada's contribution to liberate humanity.

Chorus:
