Shakelaps in France

- split in Little Owriem

- PSU - center wing entered SP

left + it. wings remain

FCR maneuvering w/PSU left wing

OCI -

FCR leaders are demanding that SWP issue a denial of statements in OCI letter (published by fantacists) to the effect that there had been no previous discussions and that SWP hadn't initiated the talks

over

IEC

- a) They insist - of IT get back in SWP
(or - implied - they'll recognize IT)
in some way
- b) PST not on U Sec
~~that will not be published~~
- c) discussion will not be opened up.
w.e. will not be called

They will not publish PST reply to next U Sec statement

Financing of IEC

they refuse Govt financing
