

Dear Friend,

The Gary International Socialists have decided to begin publication of a modest newsletter for our members and friends. It will come out approximately monthly, and will include a calendar of events and activities, as well as reports on areas of political and labor involvement that we think members and friends would be interested in.

If you have some event or activity or report you would like included, contact Jack at 938-0429.

Your name was suggested as someone who would like to receive our newsletter. If, for any reason, you would like your name removed from the mailing list, please let us know.

Fraternally yours,
