OCRFI report

- centered on developments in USFI

- dissolution of LTF - a step backward

- no problem that had led to creation of LTF  
had been eradicated

- fusion in Canada was unprincipled

- will have a discussion bulletin in Canada: GSTQ/20R/RWL

Raoul

- SWP <sup>is making</sup> same mistake as 1963

- INT self-crit didn't really go to root of  
the problem

∃ revisionists in USFI

∃ revisionists in OCRFI

There were some delegates who tended toward Lora's  
extreme position, but Raoul tried to calm things down
