To All Organizers

Dear Comrades,

Enclosed is a copy of the revised tour schedule for Gisela Mandel. Please check it carefully to see if the dates for your area have changed.

Unfortunately, the revised schedule has several fewer stops as we had to leave out a number of the smaller locals and at-large areas. The original schedule was extremely tight and would have been a very exhausting tour. We felt it was necessary to skip a few of the locals and allow more travel time and more "breathers." If the schedule changes create any problems for you, please let us know immediately.

In each area, if possible, it would be better to schedule one big meeting for Gisela and put the time and energy into building that one instead of several smaller ones. Locals should keep in mind that the tour covers both the United States and Canada in less than two months, and it cannot be as extensive as our own national tours. Also, enough free time should be left so that Gisela can have an opportunity to meet and talk with comrades in each area.

Comradely,

Mary-Alice Waters
Mary-Alice Waters
National Chairman

P.S. The dates marked with an asterick indicate stops where Ernest Mandel will be in the same city simultaneously.
