TO BRANCH ORGANIZERS

Dear Comrades,

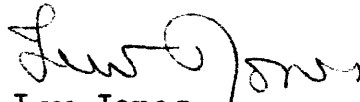

In several cities the party is involved in or has contact with the Puerto Rican community. Questions sometimes arise as to our approach to certain questions. Also, information about developments in one city might be useful to comrades in other cities.

To facilitate this, comrades should direct questions and reports to: Doug Jenness, c/o SWP City Office, 706 Broadway, New York, N.Y. 10003.

Also, in several cities the party is involved in Irish work. Questions and reports in this regard should be directed to Ray Markey, c/o SWP City Office, 706 Broadway, New York, N.Y. 10003. Phone: (212) LO-9-1751.

Copies of all correspondence and reports should also be sent to the national office.

Comradely,

Lew Jones
SWP National Office
