TO ALL SWP ORGANIZERS, PATHFINDER SALES/BOOKSTORE DIRECTORS,
AND LITERATURE COMMITTEE MEMBERS:

LITERATURE DISTRIBUTION NEWSLETTER

Attached to this month's abbreviated newsletter is data on 1974 literature sales and classroom adoptions that will be part of the delegate kits at the YSA convention in St. Louis.

We are happy to announce that Evelyn Reed's new book Woman's Evolution: From Matriarchal Clan to Patriarchal Family will be on sale at the YSA convention. Branch standing orders will be shipped in January. If you wish to increase your order for this landmark book, please inform us by the first week in January.

Last August at Oberlin the goal of paying off a major part of the bookstore back debts to Pathfinder by the end of the year was projected. Since then many branches have made progress toward this goal, with a number eliminating their back debt entirely. There is still time for further progress to be registered before the end of 1974 if payments are sent in immediately. Such payments are necessary if most branches are to keep current this month. As of December 20 nine branch bookstores were current on their November invoices with three others having paid something. The goal projected at Oberlin was a norm of twenty branches being current each month. The January Newsletter will contain a full report on the September thru December keeping current and back debt campaign.

One hundred-fifty copies of The Racist Offensive Against Busing were hawked and sold from the Pathfinder literature table at the December 14 demonstration in Boston, despite the cold, rainy weather. The top salesperson, Willie Mae Reid, sold twenty-five copies. Comrades from the east coast branches reported the sale of additional copies of the pamphlet on the buses to and from Boston, although exact figures are not available on these sales. Total literature sales from the table at the demonstration and the teach-in was \$104.
