To All Organizers and
Educational Directors

Dear Comrades:

ARTICLES BY LEON TROTSKY

For a long time there has been a demand for a complete bibliography of Trotsky's writings that have been published in our press.

We are glad to announce that this valuable reference material has been prepared and is now ready for sale.

It lists all of his articles appearing in The Militant from 1929 to 1941, and in The New and Fourth International from 1934 to 1956.

This 45-page bibliography is priced at 50 cents a copy.

Fraternally,

E. Reed

National Educational Director
