To All Ysaers

Dear Comrades,

At the YSA plenum the National Committee approved a fall fund drive of \$10,000. The drive will run from September 15 to December 15. Our last fund drive was \$8,599 but with recruitment since our last convention being substantial and the opening of over a year of campaign activities we feel that a larger fund drive is needed to meet the cost of our expanding work.

As you will note from the enclosed scoreboard the total quotas have already exceeded the \$10,000 mark because several local organizers thought that their local could exceed the proposed quotas.

As in the past, sustainers sent in since the last fund drive and through the period of this drive may be applied to the local's total quota.

Please fill out the enclosed form indicating the approved local quota and return to the National Office by September 27. If we do not receive a form back from your area by then we will assume that the quotas are excepted. Since quotas were discussed with organizers at the plenum we are asking that local's begin payment immediately so the fund drive can begin on schedule. At-large YSAers should return the form indicating the amount they can give.

Please make all checks payable to the YSA(initials can be used).

Let's aim to make this the best fund drive in YSA history.

Comradely,

Charlie Bolduc
