TO ALL ORGANIZERS, NC MEMBERS AND ANTIWAR DIRECTORS

Dear Comrades,

Enclosed are the schedules for two tours organized this fall by the SMC. These tours will serve primarily as fund raising and publicity vehicles, but they will also prove extremely helpful in improving the organizational functioning of the SMC and in starting new chapters.

Because of the shortness of the time for getting honoraria and setting up fund raising and other types of meetings local areas should assign a comrade from the antiwar fraction to the SMC tour. A full schedule should be organized in each area.

Regional organizers should work with the comrade assigned to the tour to ensure that the tours are used by locals in their region and that a schedule of meetings is coordinated by the center.

Comradely,

Dave Frankel

Fall Antiwar Action Tour

As part of the Fall Offensive against the war the Student Mobilization Committee will be organizing a tour for two of its national leaders. The purpose of the tour is to build and publicize the actions and involve as many students as possible in the Student Strike and other antiwar activities.

The tour can be utilized in a number of ways in local areas. One of the main purposes of the tour is to set up as many speaking engagements as possible on campuses. The tour will be going to regional centers of the SMC across the country. However, campuses outside of those regional centers should set up speaking engagements during the time that the tour will be in their regional center. In addition, press conferences, meetings with local leaders of the student and antiwar movements, and fundraising appointments should also be set up.

The tour can be a powerful tool in building the fall antiwar actions. Students across the country can be reached with the message of the strike and the October 13 – November 6 actions.

DEBBY BUSTIN

Has been active in the antiwar movement since 1967. She is presently the National Coordinator of the Student Mobilization Committee and was recently elected as one of the five National Coordinators of the National Peace Action Coalition. She has spoken to thousands of people all across the country and was one of the featured speakers at the giant April 24th rally in Washington last spring.

Her requested speakers fee is \$300.00.

GEOFF MIRELOWITZ

Has been a national leader of the antiwar and high school movement since 1967. He was instrumental in organizing the High School Student Mobilization Committee and the High School Rights Coalition in Chicago. He has spoken at numerous high school and college campuses across the country.

TO ALL ORGANIZERS AND NC MEMBERS

Dear Comrades,

In order to have the best possible coordination of the YSA's work nationally, it is important that minutes are sent in of all local business meetings, executive committee meetings, and fraction meetings. They should be sent to the YSA National Office immediately following the meeting.

Comradely,

Norman Oliver
