Revolution is the Answer to Boss Oppression

For President
SAMUEL GARRETT
of the
REVOLUTIONARY WORKERS UNION, U.S.

For a Workers Government in the U. S.

The Workers Vote is a vote against capitalism for a Workers Government. The Workers Vote is governed by the working class law: ALL WHO WORK SHALL VOTE.

The Workers Vote is not based on the electors' election laws. It is governed by the laws of working and production. The electors' election laws are capitalist in character, whereas the Workers Vote is socialist.

The Workers Vote gives the workers all the power to choose their own leaders. The Workers Vote is the only legal way to elect a Workers Government.

The Workers Vote allows for a Workers Government to be elected. The Workers Vote is the only legal way to elect a Workers Government.

The Workers Vote is the only legal way to elect a Workers Government.
