preparing for power '90
Preparing for Power is a week of discussion on the state of the world and how to change it. It is for everybody who wants to understand the Marxist view on everything from war and revolution to science and art. This year’s Preparing for Power offers a weekend focusing on the collapse of the Stalinist bloc—and on the start of a new cycle in history—sixteen specialist courses on Marxist theory—ranging from contemporary capitalism and Marxism and science to The roots of racism and New international relations—more than 100 workshops and debates—guest speakers from Britain and abroad—swimming pool, sports facilities, bar and music—creche and accommodation—bands, disco and films—cheap transport from all over Britain.
