The New Muxeste Party

By Lillian E. Jones

The C.P.L.A. Prepares a Home for the Political Homeless

The New Muxeste Party is the latest creation of the C.P.L.A. (Communists for Peace, Love and Acceptance). It is a new political party that has been formed to help people who are homeless and provide them with a place to live. The party is led by Lillian E. Jones, who is a member of the C.P.L.A.

The New Muxeste Party is based on the idea that everyone deserves a place to call home and that no one should be forced to live on the streets. The party is committed to fighting for the rights of the homeless and to providing them with the resources they need to build a better life for themselves.

The New Muxeste Party is running candidates in the upcoming election and is calling for increased government funding for homelessness services. The party is also calling for the establishment of new laws that will protect the rights of the homeless and ensure that they are treated with dignity and respect.

The New Muxeste Party is a growing movement and is gaining support from people all over the country. If you would like to learn more about the New Muxeste Party or to get involved, please visit their website or contact their office.

IN SPAIN

The Struggle Day by Day

The REPRESSION IN ANDALUSIA.

A few days before the elections, the Socialists and the Communist Party were still at loggerheads in Andalusia. The forces of repression were doing their job. They arrested 13 workers and 8 farmers. The leaders were demanding the release of the arrested individuals. The situation was tense and the conflict escalated.

GERMANY

The Impotence of the Communist Party in Face of the Crisis

Hardly a day has passed since the advent of the new year. The mood is gloomy in the Communist Party as it faces a grave crisis. The party is on the verge of division and there is a growing gap between the different factions. The party is divided between the old guard and the younger generation. The old guard is staunchly opposed to any change while the younger generation seeks a more radical approach.

THE ARGUMENTS OF THE UNION.

The Wage Cut Drive

The Union is pushing for wage cuts to offset the increasing costs of production. The workers are protesting against the cut in their wages. The situation is tense and the conflict between the workers and the management is escalating.

THE ARGUMENTS OF THE COMMISSAR.

What is the Debate?

The debate on the Workers' Cutoff is heating up. The Workers' Cutoff is a program that guarantees a minimum wage to all workers. The debate is centered around the question of whether the cutoff should be increased or decreased.

HILLMAN ENDS THE STRIKE

Robert P. Hillman, the president of Armstrong, has ended the strike. The workers had been on strike for several weeks, demanding better working conditions and higher wages. The end of the strike is a victory for the workers and a setback for the company.

PICNIC AND RALLY

For the Spanish Revolutionary Movement

The workers and the peasants of Spain are uniting to form a united front against the reactionaries. The workers are demanding the rights of the workers and the peasants are demanding the rights of the peasants. The united front is a powerful force and it is winning the struggle against the reactionaries.

Repression Against the Opposition

Sunday morning, 7 to 1:30 PM. The trial of the four accused of the Clarion Union was in progress. The prosecutor, Mr. Johnson, was questioning the witnesses. The accused were defended by their lawyers. The trial ended with the delivery of the verdict. The accused were found guilty and sentenced to three years in prison.
The Party and the Opposition's Tasks

The Party and the Opposition's Tasks

The Party has been urging the workers, students, and peasants to unite under its leadership to carry out the new patriotic united-front program. The Opposition, on the other hand, has been trying to seize the opportunity to stir up class strife and mount an attack on the Party. The Party has been firmly and resolutely fighting against these tendencies.
