How the Boss Class Receives the N.I.R.A.

The Industrial Recovery Act marks a further step in the examination of the economic structure of the world today through the channel of the interests of the leading enterprises and the rise in the value of the dollar. The National Industrial Recovery Act provides for the regulation of trade and industry in order to prevent the overproduction and underproduction of commodities, and to maintain liquidation and readjustment. The act is designed to alleviate unemployment and to promote the economic stability of the country. The act was passed in 1933 and became effective in the same year.

Organize Strike Among Mirror Makers

New York, N.Y.—A paroxysm of unrest was renewed on Sunday at the largest of the Mirror Makers Union in New York City. The strike, which began in the fall of 1933, has lasted for nearly six months. The strikers are demanding the abolition of the $1-a-day scale and the establishment of a $2-a-day scale.

Pocketbook Workers Win Conditions

New York.—At a mass meeting in Webster Hall, the Pocketbook Workers agreed to a report of the Committee on Conditions of Labor and a new statement of their demands. The Pocketbook Workers, who number over 50,000, are demanding an increase in their wages and the establishment of a union shop.

Gen'l Strike in Furniture Trade of N.Y.

FROM THE MILITANTS

L.D. Expels 3 Workers in Minneapolis

Minneapolis, Minn.—In hard-fought action, L.D. (Communist) local 141 on Thursday morning expelled three skilled iron workers. The expulsions follow the split of the union over the issue of forming an independent union. The split is part of a nationwide battle between the L.D. and the building and construction trades unions.

The expulsions were a result of the local’s decision to refuse to return to work until the government has provided a new contract for the skilled iron workers. The government has refused to provide a new contract, citing the national economic situation. The local has decided to continue its strike until a new contract is signed.

The expulsions were carried out by a majority vote of the local’s members. The expelled workers were charged with refusing to work until a new contract is signed.

In a statement, the local said: "We are prepared to continue our strike until a new contract is signed. We are not afraid of a strike, and we are willing to fight for our rights."

The L.D. local is one of several unions around the country that have refused to return to work until the government has provided a new contract. The government has refused to provide a new contract, citing the national economic situation.

The L.D. local said it would continue its strike until a new contract is signed. The local is part of a nationwide battle between the L.D. and the building and construction trades unions.
