Coal War Ends in Five Year Truce

Debs Column

They Must Unite

The labor movement is at a crossroads. The struggle for the eight hour day has been won, but the fight for the ten hour day is still to come. The working class must unite to fight for its rights.

J. M. Lewis

Frasa By U. S. Oil Men

Behind Mexican Trouble

The gap in the United States-Mexican border wall is a symbol of the growing economic divide between the two countries. The United States is benefiting from cheaper oil imports, while Mexico is struggling to meet its energy needs.

Kellogg Propaganda

The Kellogg-Briand Pact, signed in 1928, was a milestone in the history of international law. It was the first major step towards the establishment of a world order based on the principles of peace, justice, and individual rights.

Super-Power Trust Here, Says Magnate

Berger asks Return of Debs Citizenship

The return of Eugene V. Debs to the United States after almost three decades in Europe is a major milestone in the history of the labor movement. Debs' return will add to the strength and voice of the working class.

Wall Street Tax Law Wins in Senate

The Wall Street Tax Law was a major victory for the working class. It was a clear victory for the people, a clear victory for the working class. The law will ensure that the wealthy pay their fair share.

The American Appeal is a weekly socialist newspaper published in Chicago, Illinois, USA, from 1913 to 1926. It was edited by Eugene V. Debs, and was a major voice of the socialist movement in the United States. The paper covered a wide range of topics, including labor rights, social justice, and international relations.

The paper was banned during World War I, and Debs was imprisoned for his role in organizing labor unions. Despite these challenges, the Appeal continued to be a powerful voice for the working class and for the ideals of socialism.
Bankers in Italy Debt Deal Prove to Be Real Fascists

The capitalist economy is the selling of all operations and upward striving by the ruling class. The bankers from the banks of the Italian nation have been able to pay the high interest rates because they have the means to pay the interest rates. The capitalists are the ruling class in Italy.

Debs, Hillquit and Thomas Answer Challenge to Radicals in Magazine

EDITOR'S NOTE

This is a continuation of a two-part series in a national magazine, "Challenge to Radicals," which has been published previously. The series has been prompted by the recent publication of a book, "Radicalism," which has caused a great deal of controversy among American workers. This series will examine the views of some of the leading radicals on this issue.

Win Through Labor Movement—Hilutquit

The American labor movement was formed in the late 19th century as a result of the growth of industrial capitalism and the need for workers to organize and fight for their rights. The labor movement has played a key role in the development of American democracy and the advancement of workers' rights. Today, the labor movement continues to be a powerful force in American society, and its influence is felt in many different areas.

In Awakened Labor—Our Hope—Thomas

The labor movement has always been a source of hope for workers. It provides a way for them to unite and work together to achieve their goals. The labor movement has also been a source of inspiration for many workers, who see it as a model of how workers can come together to build a better society.

Black Persecution

By Eugene V. Debs

It is just thirty-four and a half months since the first of the year, and since that time there have been over sixty instances of violence in the United States. Most of them have been against Negroes, but there have also been many against labor, that is, the persecuted. They are all of them crimes.

The Negro is in this instance a victim of the law, and was guilty, it is alleged, of violating the provisions of the Constitution and the laws of the land.

Dangerous Books

It is a sad commentary on the state of society that those who dare to think and to question are branded as dangerous. The argument that certain books are dangerous because they express opinions that are not in harmony with the views of the majority is both specious and dangerous. It is a dictum of social meaning that those who are in the minority are the ones who are most likely to be dangerous. It is the job of the public to determine what is truth and what is falsehood, and not to be dictated to by the views of the majority.

Meaning of the Machine

By George R. Kirkpatrick

In the next few years, the Department of Labor will be making many important changes in the laws governing the use of machines. These changes will have a great influence on the safety of workers and on the efficiency of industry.

Mental Dynamics

The mental dynamics of work are a complicated matter. They involve both the physical and mental aspects of work, and they are influenced by a variety of factors. It is important to understand these dynamics in order to improve the mental health of workers and to increase productivity.

Socialist Leader Reports on Russia

Dr. Otto Bauer Finds Much Socialization Achieved, Much Improvement in Conditions, Much Cause for Socialist Hope, Despite Serious Errors of the Communists

The following is a statement recently issued by Dr. Otto Bauer, a leading socialist writer and theorist, on his recent visit to Russia. Dr. Bauer visited Russia in the summer of 1920, and his report has been widely circulated in socialist circles.

Properity of Skins

This is a common term in the textile industry, referring to the amount of skin or hide that can be obtained from a given area of flesh. The term is used to describe the quality of a hide or skin, and it is a measure of the value of the hide or skin to the manufacturer.
