Broadcast Debs' Message!
$250,000 Fund Drive to Erect A Radio Station
As A Free Speech Memorial to EUGENE V. DEBS

SHALL DEATH SILENCE THE NOLEST VOICE OF THE AMERICAN WORKER?

As a memorial to Eugene Debs' service to the cause of American labor, Socialism and social justice, public spirited men and women in every State have joined in a campaign to erect and operate a high-powered radio station.

Adequate funds will be devoted to free speech. It will give a voice to the best aspirations of the American people. It will be operated in the broad spirit of social righteousness exemplified by Debs himself.

**NEWS AND VIEWS**

---

**Do Coolidge and Kellogg Fear Facts?**

As reported in the documents, the week was marked by a flurry of events, including a series of political, social, and economic developments. The text discusses various topics such as the influence of the majority party in Congress, the impact of the Kellogg-Briand Pact, and the role of Coolidge in international affairs. The article highlights the significance of these events and their potential outcomes.

**What Privilege?**

In contrast to the discussion above, this section focuses on the concept of privilege and its implications in society. The text delves into the idea of privilege being inherent to certain individuals or groups and explores how this privilege affects their experiences and opportunities. The article raises questions about justice and equality and encourages readers to reflect on their own roles in perpetuating or challenging these dynamics.

---

**APPEAL'S FEATURE DEPARTMENT**

---

**Socialists Explain Their Objections to Communism**

**Article 1: Bertrand Russell on Violent Revolt**

For the last decade a weekly battle has raged in the international socialist movement. The conflict is not between different schools of socialism, but between the Marxists and the anarchists. The Marxists believe that violence is necessary to bring about a socialist society, while the anarchists advocate a peaceful transition. The text delves into the arguments and counterarguments presented by these factions, exploring the complexities of their ideologies and the implications of their perspectives.

---

**Most Unemployment in Five Year Period Hits Coolidge's Prosperity**

**January Employment Volume**

The graph illustrates the employment volume for January, indicating a significant increase in unemployment. The text provides an analysis of the factors contributing to this trend, including economic conditions, labor market dynamics, and policy decisions. The article highlights the impact of these factors on individuals and communities and offers insights into potential solutions.

---

**Alarming Increase Shown In Class of Nonproducers**

The growth of America's consumer class at the expense of the producer is a matter of critical concern. The article discusses how technological advancements and economic policies have contributed to this trend, leading to a widening gap between the rich and the poor. The text explores the implications of this shift and offers proposals for addressing socioeconomic inequalities.

---

**U.S. Advised Oil Men to Break Law**

The article reports on the government's advice to oil companies to break the law, specifically regarding the production and distribution of gasoline. The text examines the historical context and the legal implications of this advice, as well as the potential consequences for the oil industry and the public interest.

---

**Belgium Socialists Stay in Government**

The section on Belgium SocialistsStay in Government delves into the situation within the Belgian government and the role of the Socialists. The text discusses the challenges faced by the government and the impact of their policies on the broader political landscape.
How to Make Arbitration A Real Peace Force

Editor's Note

The government of France has been warned of the danger of another war by Mr. Arthur Sincock, head of the Peace Bureau of the American Peace Society. Mr. Sincock, who has visited Europe and Italy, said that the French government has been taken in by a false report of the German government's intentions and that a new war is inevitable.

The United States government is said to have been given a false report by the French government. The German government has been given a false report by the American government. The war will be inevitable.

By William Lloyd

A similar story is now before the Republican Party and the country.

Coolidge Veto of Haugen Bill Is Blow at Farmer-Capitalist Union

As a result of prosperity and other business conditions, every one of the financial institutions of the country has a large number of farmers as customers. It is a well-known fact that the farmers are the backbone of the country.

Farm States Hit

By Bank Failures

The Federal Reserve Bank of the United States has been warned by Mr. Sincock that the bankers are too old and too rich to be trusted. The bankers, he said, are going to make another war.

Tax Taft Steel

Anchit

The U.S. government has been advised by Mr. Sincock that the Taft-Hartley Act is a mistake. The Taft-Hartley Act is going to make another war.

Author Silenced

Mr. Sincock, not being American, has been silenced.

Upton Sinclair Tells of His War Disillusionment

Editor's Note

The most notable and disquieting developments in the following article are that the Upton Sinclair story of 1906 has come true. Sinclair's book, 'The Jungle,' has been a best-seller in the United States. It is now said to have been sold over a million copies. Sinclair is said to have been quoted as saying that the story of 'The Jungle' is not a story, but a description of what is going on in the United States.

Maurer Grills Woll, Labor Member of Civic Federation,
For Opposing Old Age Pensions

U.S. Labor Banks

Own $127,000,000

The most important development in the United States is the establishment of the United States Labor Bank. This bank is to be operated by the U.S. government. It is to be used for the investment of the funds of the United States labor organizations. It is to be used for the investment of the funds of the United States labor organizations.

10,537 Deaths In

Industry Last Year
