One more week and the historian for volunteers for the rolls will close. This is your one and only opportunity to sign up. If you have not yet done so, you must not waste another day, nor will you be able to sign up after April 15. You must not procrastinate, nor will you be able to do so again. In every community the Appeal is doing a great work, and the demand for it is met. Let us not forget the Appeal. It is the voice of the movement, and without it we cannot do without it. Let us support the Appeal, and let us not forget it.

A good many comrades have objected to our carrying advertisements, on the ground that it is a waste of time and money. But our object is not to make money, but to support the movement. We are doing a great work, and we must do it.

In the interest of the cause in Chicago, I am writing to you to ask you to do your share in the work. The Appeal is the voice of the movement, and without it we cannot do without it. Let us support the Appeal, and let us not forget it.

The people of Chicago voted 12 to 1 in favor of the Appeal, and the people in the country should do the same. The Appeal is the voice of the movement, and without it we cannot do without it. Let us support the Appeal, and let us not forget it.
