An Appeal to the Sovereign Voters
In the U.S. to Stop Anarchy.

We want the people to work and do not want to hear of them being looked upon as men who are without the power to fight for their own rights.

The world is full of injustice and people are suffering for the sake of the few who are in power. It is a time for change and we must act now to prevent the furtherance of this state of affairs.

The time is ripe for such action, and we must take it now. We cannot afford to let this injustice continue, and we must do something to stop it.

We must work together to make sure that everyone has a voice in the decisions that affect their lives.

The time is now for us to stand up and demand justice for all.

The world is waiting for us to lead, and we must not let them down.

We must unite and work together to bring about a better world for all.

The time is now for us to act, and we must not let this opportunity pass us by.
