You Have Lost The Strike!

AND NOW WHAT ARE YOU GOING TO DO ABOUT IT?

By Upton Sinclair, Princeton, New Jersey.

The strike is over. You have lost your chance to make a stand, to say your say, to be counted as a man. You are back to work, and you are hungry. You are hungry, not just for food, but for justice. You are hungry for the respect that you deserve. You are hungry for the change that you want to see.

The strike is over, but the fight is far from over. You must continue to fight for your rights, for your dignity, for your future. You cannot give up now. You must keep on fighting, keep on striving, keep on struggling.

The strike is over, but the struggle is just beginning. You must not forget what you have accomplished, what you have fought for, what you have won. You must not let this victory be the end of your struggle. You must keep on fighting for your rights, for your dignity, for your future.

The strike is over, but the fight is far from over. You must continue to fight for your rights, for your dignity, for your future. You cannot give up now. You must keep on fighting, keep on striving, keep on struggling.

The Socialist Movement of Hungary.

Nicholas E. Kish, Correspondent.

The socialistic movement in Hungary is growing in force. The actual numbers of the socialists are not known, but it is estimated that there are about 100,000 members of socialist organizations in Hungary. The movement is strongest in the large cities, particularly in Budapest and other industrial centers. The socialists are active in the trade unions and in political organizations. They are working for the abolition of the monarchy and for the establishment of a republic. The socialists are also fighting for better wages and working conditions for the workers. The movement is gaining strength, and the socialists are becoming more and more influential in Hungarian politics.

1904 CAMPAIGN COMBINATION

Summary of Election Results.

The election of 1904 was marked by a campaign of socialistic and labor organizations. The socialists, who were running on a program of social reform, made a strong showing in a number of cities. The election was won by the conservative party, but the socialists made a showing that was considered encouraging. The socialists gained a number of seats in the lower house of the national assembly.

The struggle for existence.

By Walter Thomas Miller.

This is the most nearly complete work on Socialism produced by an American author. It is prepared for use as an textbook, with summaries and questions at the close of the chapters that of themselves would make a useful framework for a course of study.

An excellent feature of the book is the simplicity of the language, which can readily be understood by anyone capable of reading newspaper English. This is a feature of special value in the preparation of such a work, as it is remembered that many are getting their first training in economics through the study of Socialist literature.

The work is necessarily large, containing 460 pages, neatly printed from large type on good paper and substantially bound. Every Socialist should read it and have it in his library, as it is invaluable for reference.

BROCKELFELD and SPECKLER, Democrats.

The following is a short copy of a letter from Mrs. William A. Workmaning, Girard, Kan., to the editor.

To the Editor:

I am a strong believer in the Democratic party. I have always voted for the Democratic ticket in all elections. I am now voting for Mr. Workmaning, who is my friend, and I hope he will be elected.

Very truly yours,

Mrs. William A. Workmaning.

The letter was received by the editor and published in the Appeal to Reason.
