A Passion Play After the Feast

MUSIC...

Reserved Seats, $1.00

Come, ye good people, kindly join me! Come, my friends and fellow citizens! Form a circle around me and listen to what I have to say. The time has come to celebrate the birth of our Savior, and what better way to do so than by performing a Passion Play? This is a special event, for it promises to be a unique and memorable experience.

How fine that the people of this community should come together to form such a circle around me! It is a sign of unity and solidarity, a demonstration of our commitment to one another. Come, let us join hands and sing the songs of Christmas, for it is a time of joy and love.

A Passion Play: What is it? It is a form of religious drama that has been around for centuries. It is a way to retell the story of the Passion of our Lord Jesus Christ, using music and dance to bring the jelly to life. It is a way to teach the children about the true meaning of Christmas, and to remind us all of the sacrifice that our Lord made for us.

Let us begin by forming a circle and taking our places. Then, let us sing the opening song and let the drama begin.
