THE TEMPLE OF THE REVOLUTION

That's what Warren calls the new Appeal building, and to come to think of it, it's rather an appropriate name, too. For there's always been a thought that is going to bring about the Great Social Revolution that will usher in the Cooperative Commonwealth of which Big doesn't exist. But the Appeal Army has been doing big things lately, and while it's going to do more. Now I want your name to put with the rest of the gang in the vault of the corner stone. It will be sealed up in a few days, and when the first Socialist President is inaugurated. Of course, you want to be there. Every reader of this paper who sends in seven yearly sauls before the vault is sealed up will be numbered with the Socialist Imperialists. You are asked to do this for the Appeal of this time when it is making a vigorous effort to touch the 400,000 mark on the Thermo meter. Don't delay!

A STUDY IN CIRCULATION.

CIRCULATION APPEAL TO REASON

The appeal to reason has been a success. Since our last number, we have sold 316,400 copies. That's an increase of 138,448 copies per week. Oh, yes, the little sheet down in Kansas is growing some, thank you!

The workers do things and the socialists talk for the workers. Since the first of the year the Appeal has sold 118,000 copies, an average of 153,148 copies per week. We have had some terrible failures of thirty days since the Appeal was started, but we have been on the upswing since then. The appeal has been made, and the socialist movement is growing.

WHOM WERE THE AMERICAN SLAVES?

By Eugene M. Adams

The New American Slavery

The New American Slavery, by Edward R. F. Smith, is a hard-hitting, brilliant attack on the American system of slavery. The author's objective is to present a convincing argument that slavery is a national scourge and that the American government is responsible for this condition.

The author concludes that slavery is a national sin and that it is the responsibility of the American government to end it. The book is a powerful and persuasive argument against slavery and a call to action for the abolition of this evil institution.
