Timber Slabber

The September issue of Forestry and Irrigation, official organ of the
American Forest and Conservation Association, contains an
editorial that voices the concern of many foresters and
timber owners. The editorial states:

"The time is ripe for the establishment of a national
forestry system that will provide for the proper use and
management of our forests. The forests are a precious
resource that must be preserved for future generations."
THE EASTERN CONFERENCE
Progress of the Defense Work Advance
By H. W. King

Oct. 10, 1897

At the meeting of the Eastern Conference, held recently in Philadelphia, it was decided to organize a national defense league. The league will be composed of representatives from all parts of the country, and will consist of clubs and societies devoted to the promotion of defense. The league will have as its object the protection of the nation from foreign aggression, and will work for the establishment of a strong national army and navy.
