CLIMAX OF LONG SERIES OF PERSECUTIONS

BY SOPHIE SIMON

The panic has opened people's eyes—now give 'em socialist literature.

The financial panic, which is both a real panic and a moral one, has been going on for some time. The people are suffering, the banks are failing, and the government is doing nothing to help. The people are desperate, and they are turning to socialism for a solution.

Socialism is the only solution.

The government is incapable of solving the problems of the people. The people are suffering, the banks are failing, and the government is doing nothing to help. The people are desperate, and they are turning to socialism for a solution.

Socialism is the only solution.

The government is incapable of solving the problems of the people. The people are suffering, the banks are failing, and the government is doing nothing to help. The people are desperate, and they are turning to socialism for a solution.

Socialism is the only solution.
FINANCIAL COLUMN

The New York Times and other newspapers, in articles dealing on the financial column, have given us a brief description of the current financial situation. They state that the stock market is doing well, and that the prices of stocks are rising. They also mention that the money market is stable, and that the interest rates are low.

The Times also mentions that the banks are doing well, and that they are making good profits. They state that the banks are expanding, and that they are opening new branches.

The newspapers also mention that the economy is doing well, and that the country is growing. They state that the government is spending money on various projects, and that this is helping the economy.

The newspapers also mention that the United States is doing well, and that it is growing stronger. They state that the United States is a powerful nation, and that it is respected by other nations.
