The big frost which hit the democratic camp Nov. 3d makes democratic voters easier picking than the Socialist candidate.

Start to the Socialist candidate.

Make a Revolution before laying down this paper that you willlasso and put the Socialists and its issues for ten of these democratic pacifists.

Most of them will be willing to pay for the Appeal for a year if you gently insist on them digging up. They realize that the Socialists is the only party for which they can lock their old-time enemy—the G. O. P. too busy before the democratic leaders have time to recover their breath.

Significant News and its Importance

The Appeal has a picture of an old-clothed four-horseman in a scrolled card that shows digitally any "Work stoppage or strike which is in the columns of this paper." This is the usual form used by labor unions to inform the public of changes in transportation or labor strikes. There are no obvious indications on the Appeal that they may be intended for use as a labor union organizer.

TODAY'S SOCIALISTS REDEEMERS FROM DEATH

See the cover of a Young Socialist in the November, 1909 issue of The Appeal. The cover features an image of a young socialist holding a banner with the text "Redeemers from Death." The cover is illustrated with a young socialist figure holding a banner with the text "Redeemers from Death." The image is accompanied by the text: "Redeemers from Death: The Appeal to Reason, Girdler, Kansas. November 21, 1908. 25c per year in states of four.

THE BIG FROST which hit the democratic camp Nov. 3d makes democratic voters easy picking for the Socialists. Make a resolution before laying down this paper that you will lash and put the Socialist brand on at least ten of these democratic Mandrakes. Most of them will be willing to pay for the Appeal for a year if you gently insist on them digging up. They realize that Socialism is the only weapon with which they can lick us all with at the next election. G. O. P. Get busy before the democratic leaders have time to react.

This was the whole reason for printing these words. The Appeal is to the people who are interested in the welfare of society. It is not a cheap garment, and costs only 25¢ a year. It is the strongest weapon that the people have to help themselves. It is the only weapon that the people have to help themselves. It is the only weapon that the people have to help themselves. It is the only weapon that the people have to help themselves.
